

Personal Memorial Options

The Garden of Remembrance is situated to the right of the crematorium building. The surrounding garden wall incorporates commemorative tablets of blue-black slate with traditional gilded lettering which are available for purchase on a 10 year renewable lease.

The tablets measure 10" x 2" (a single tablet) and 10" x 4.5" (a double tablet). A single tablet will accommodate 3 lines of engraved text with each line having a capacity of approximately 24 letters. A double tablet will accommodate 6 lines of engraved text with each line having a capacity of approximately 24 letters. The double tablet can be used for those who would like to express their feelings with either a longer dedication or to reserve space on the tablet for future use.

The tablets are leased on a fixed 10 year period and the cost of the lettering (up to a maximum of 72 letters on a small tablet and up to a maximum of 144 on a large) is included in the price.

After the ten year lease has expired it is possible to renew the lease for a further 10 years. The cost of renewing the lease will be available at that time.
